

No-Show Policy for New Patients

We value our patients' time and strive to provide high-quality care to everyone. In order to maintain an efficient schedule and respect the needs of all our patients, we have established the following No-Show Policy for New Patients:

New patients who fail to show up for their initial appointment without prior notice will not be rescheduled.

A "No-Show" is defined as missing an appointment without canceling at least 24 hours in advance.

If you need to cancel or reschedule your initial appointment, please call our office at least 24 hours in advance. We are happy to assist you in finding another time that works.

Patients who no-show their first appointment will be required to seek care elsewhere.

This policy ensures that appointment slots are available for patients who are ready and able to attend. Thank you for your understanding and cooperation.
